

Want to be part of history?

As the **world's premiere soccer event** comes to H-Town this summer, we're providing the **World's Largest Soccer Goal!** And, we're inviting local churches and individuals to volunteer as we welcome guests from across Houston and around the world to this must-see attraction!

 The Greatest GOAL is **open daily June 10-July 2** from 10 am-6 pm with four volunteer shifts each day

 **Individuals** can register to serve on any day(s)/shift(s)

 Churches can register **groups** to serve on any day(s)/shift(s)

 Churches can **serve as "host"** on any day(s) not already hosted

Roles of "host" churches include:

- *Recruiting church members to register as "Individual Volunteers" on your host day(s)*
- *Ensuring leaders are on location all day to train volunteers as they arrive to serve*
- *Ensuring all volunteer positions are covered throughout the day*
 - *NOTE: Individuals from outside your church may register to serve on your host day. A list of their names and shifts will be provided for you.*
- *Providing bottles of water for volunteers and visitors alike*
- *Taking, posting, and sharing photos*

We'll see you there!
